HANCOCK COUNTY EAGLE

VOLUME FIVE, NUMBER THIRTY-SIX

BAY ST. LOUIS, MISSISSIPPI, THURSDAY, MAY 13, 1954

SUBSCRIPTION PRICE \$2.00 A YEAR

Hearing May 27 To Discuss Train Stoppage By L & N

An official Public Hearing in the dispute between the People of Bay St. Louis and the Louisville and Nashville Railroad will be heard on May 27, 1954 at 10 a.m. at the Hancock County Court House.

The complaint of the Bay St. Louis City Council was based on the widespread public dissatisfaction with the lack of adequate rail passenger service for the convenience of the people and the advancement of the community.

A citation by the Public Service Commission to the Louisville and Nashville railroad specifically notes the failure of the L & N to stop Trains 5, 6, 37 and 34 at Bay St. Louis.

This failure is contrary to Mississippi law, which declares that all trains passing through a county seat must stop. It has been the contention of many organizations in the community that this service is needed and must be secured for Bay St. Louis.

All three members of the PSC are expected to be present at the hearing it was claimed. The L & N will be represented by able attorneys.

"Bay St. Louis must be represented by the people of this area in great numbers to impress the great need for this service if we are to succeed," Mayor Scafide said.

"All persons with any type of evidence that may help us in this controversy should be present at the hearing," he added.

Armed Forces Day Being Observed

Two flights from Keesler Field will be east Bay St. Louis Saturday commemorating Armed Forces Day.

Lt. Col. Eugene H. Mitchell, USA, Project Officer for the State of Mississippi for the observance of Armed Forces Day, told the Eagle that the first flight, composed of eight T-28 propeller driven aircraft, is scheduled to appear at 10:17 a.m., while the other six B-52 twin engine propeller driven bombers will be over the city at 11:20 a.m.

Armed Forces Day, which has been observed nationwide this week, culminates with Saturday's shows.

Armed Forces Day was established in 1950 as a means of paying tribute to the thousands of men and women who have served and are still serving in the Armed Forces. It replaces such individual celebrations as Army Day and Navy Day.

Responsibility for promotion of the observance is rotated from one branch of the service to another each year, this year falling to the Air Force.

Children to be Admitted Free To Dress Rehearsal At Local Little Theatre

The Board of the Little Theatre has announced that children under 11 years of age will be admitted free to dress rehearsals. On the nights of the plays children under 11 will be admitted only if they hold an adult membership.

Tryouts for the third play will be held Saturday afternoon, May 15 at 4 p.m. The play is "Ladies in Retirement," a suspense story.

The cast calls for five women and one man.

Bay High May Festival Presented Friday Night

"Maytime in a Southern Garden" was the theme of the May Ball staged last Friday night at Bay High Gym.

The rear elevation of bleachers was entirely covered with living trees forming a natural setting for the trellised archways festooned with flowers. Many of the Court entered from amid the trees. A wishing well in the center of the gym floor was the meeting place of the couples. Here they met, greeted each other with a box and a kiss, and alternately paraded to curvets and finally posed for a group photograph currently out of commission because of needed repairs.

This will constitute a summer program, and will be supervised by Dr. Kramer's band broke into Henderson and Professor Ingram.

An evaluation of faculty students and school programs was given by Mrs. Stouffer, the gracious queen of the May. She was daintily in a white nylon tulle dress with billowing skirt and mantle of apricot colored satin piped with flowers of the same.

Crowns were Alex Epperson presented the title of brilliant to the King, J. C. Perkins, who placed it upon the head of his lady, thus officially proclaiming her Queen of the May.

Members of the Court were:

Lee Klein, Mary Palmer, Malcolm Moreau, Marcelline Furay, Wheeler Hartfield, Joyce Perinucci, Ray Smith, Rosemary Mullinix, Donald Cole, Anna Frances Rose, Donald Landers, Kay Kramer, Connie Ripple, Leroy Noto, William Reese, Jerry Witter, Keith Tankel, Terrell Randolph, Janet Breland, Wilma Jean Moran, Gary Stouffer, Sue Smith, Frank Wheat, Charles Tavarella, Evelyn Courter, Larry Lundrum, Huay Johnston, Ronal Launders, Hilda Russell, Darling Norman, Shirley Buffan, Ruth Bennet, Billy Taylor, Ann Jenkins, Noleen Ladner, Jerry Bienvenu, Rusty Breath.

Monk Smith Regatta

The Second Annual Monk Smith GYA Regatta will be held at the Bay Waveland Yacht Club May 15 and 16.

A large representation of skippers of the Stars, Lightnings, Penguins and Fish Boats are expected.

There will be a dance given by the club for members and visiting skippers.

St. Stanislaus, St. Joseph Academy To Sponsor Crowning Of Blessed Mother As Queen Of May At SSC Stadium Sunday

Every year Catholics all over the world honor the Mother of God in a very special way during the month of May, proclaiming her their Queen and asking her to continue her motherly protection over them.

This year, the month of May has even deeper significance since it has been proclaimed by Pope Pius XII as the Marian Year in honor of the centenary of the proclamation of the dogma of the Immaculate Conception.

In keeping with the Church's honoring of the Blessed Mother throughout this year and especially during the month of May, St. Stanislaus College and St. Joseph's Academy will sponsor the crowning of the Blessed Mother as Queen of May this Sunday, May 16, at 8 p.m., at St. Stanislaus Stadium.

A temporary altar, with a statue of the Blessed Mother on a pedestal behind it, will be constructed in the center of the football field facing the home stands.

Rev. Christian Baker, SVD, of St. Augustine's Seminary, will be the principal speaker and Rev. John Leonard, of Our Lady of the Gulf Church, will officiate at Benediction of the Blessed Sacrament.

The choir will include seminarians and students of St. Augustine's Seminary.

Miss Mary Rose LaBrutto, Prefect of the Sodality of the Blessed Mother, will escort the Queen and her court as they will appear Sunday night in the ceremonial of the crowning of the Blessed Mother as Queen of May.

Bay High PTA Installs Officers At Last Meeting

Police Chief Commanded For Excellent Safety Record of Students

Officers elected to serve for Bay High PTA were installed Tuesday night at ceremonies conducted by Mrs. Anthony Morris, a past president of the organization.

Dr. William P. Henderson was installed as president, Carl Arnold vice president, Mrs. Warren Tracy secretary and Mrs. George Horton, treasurer.

The meeting was the last that will be held for this term.

A financial statement was given by Mrs. Horton and an accumulated sum plus approximately \$400.00 earned by the organization this year was voted upon by the membership to finance a program for repairing and moving into the grounds of the new annex playground equipment currently out of commission because of needed repairs.

This will constitute a summer program, and will be supervised by Dr. Kramer's band broke into Henderson and Professor Ingram.

An evaluation of faculty students and school programs was given by Mrs. Stouffer, the gracious queen of the May.

Miss Carolyn Kiefer, returning president, gave a brief resume of activities of the PTA during the 1953-54 term, and a farewell from the outgoing board.

At the meeting of the Board preceding the general meeting, it was voted to send an acknowledgement of gratitude to Police Chief Alcine Saucier for his excellent manner in which he has discharged his duty in protecting the children of the school. Not one accident has occurred during the school year. Traffic is heavy on the three streets adjacent to the school building, and children must cross Ulman Ave. to enter the new annex. In addition to safety hazards the pupils of Bay High School have been well behaved in the neighborhood of the school, causing no annoyance to residents of this area.

The PTA board feels that Chief Saucier deserves much credit in handling students.

WAVELAND WANDERINGS

BY GEORGETTE HALL

The annual May Festival of the Waveland School was a most colorful event, scheduled to be held at the school this Friday evening at eight o'clock. It is hoped that a large crowd will be in attendance.

The dedication of Lakeshore Methodist Church and the dedication of the Clement Harbor Sunday School rooms and the new organ was indeed a memorable occasion. Bishop Franklin, District Superintendent Ridgeway and several ministers from the respective churches in this area were present. Bay St. Louis was well represented and was Clement Harbor, Lakeshore and Waveland. A delicious dinner was enjoyed by all who attended. The dinner was served by the Methodist ladies in the restaurant of Mr. and Mrs. B. Bankston, Clement Harbor.

Mrs. C. J. Boudreaux and Mrs. Jessie Rooney spent several days in Waveland this week after a most pleasant visit in St. Louis, Missouri.

Mr. and Mrs. August Hillman are visiting friends and relatives in New Orleans.

Mrs. Anna Crebbin, Miss Mattie Wood and Mrs. Marie Poole, of Stanardsville, Virginia, enjoyed a happy week end in the Crebbin home on Memorial Ave.

Miss Ellen Viola, who operates a School of Music in New Orleans presented a most outstanding dance review on Sunday in the Jerusalem Temple.

FORESTRY NEWS

Figures revealed by the Mississippi Forestry Commission show that 26 percent of the forested lands in unincorporated counties burned last year as compared to 2 per cent in protected counties.

The initial aerial survey in Mississippi of Bureau Forest acreage in areas not protected by the State was recently completed by the Mississippi Forestry Commission and J. F. Smith, Chief forest fire control ranger, said the survey indicated an average of 26 per cent of the timbered and uncultivated land in the state in the 99 unincorporated counties of the state while the actual percentage burned in protected counties is only 2 per cent.

In the past, the survey has been conducted annually by an on-the-ground system of burned areas on sample sections by counties. But this method required numerous man-hours of valuable time which was needed in other phases of the Commission's program.

The aerial survey method was adopted by the commission after considerable study of reports from another Southern state which had already put it into use. After making the survey, the Commission found that by the use of this method there was a saving of time and money, and that it was also more accurate than the method previously used.

Serious damage was done Saturday to the Mississippi Forestry Commission's tree seedling program at the Wiggins Nursery as flood waters from a nearby canal and the surrounding water-covered the entire planted area, to some places to a depth of 4½ feet.

Nurseryman John Little said that the area was under water ten to twelve hours. Little, a lifelong resident of that locality related to Little that it was the greatest rainfall for a period of time that they could recall.

Last stage was set for the damaging blow last Wednesday night when 1½ inch rainfall fell at the nursery, saturating the soil to its maximum waterholding capacity. Then the Saturday rain was just too great. The Saturday rain was just too great to remove the water as fast as it fell.

Little could not estimate the amount of damage done until sufficient time elapsed for determining whether the young seedlings are vigorous enough to recover after being submerged for such a length of time.

It is expected, however, that millions of the young plants and seed that had

CONGRESSIONAL SIDELIGHTS

by CONGRESSMAN WM. M. GLENNER

THE ST. LAWRENCE SEAWAY

After some fifty years of discussion by the Congress, the long-controversial St. Lawrence Seaway has been authorized. The Senate passed the bill yesterday. Since that time it has been held up in the House Rivers Committee. However, last week by a vote of 175 to 5 that Committee was in, and eight Republicans and four Democrats finally yielded under Administration pressure and supported the bill on the floor of the House. The bill passed by a vote of 144 to 155.

The main arguments advanced by the proponents of the legislation were that it was in the interest of National defense and that it would give a access to Canada for the expansion of our steel industry.

We did not support the bill because it would add the additional cost of many millions of dollars to the already burdensome National debt in which we are still result. In this connection, while the legislative committee reported the bill estimated that it would cost 105 million dollars, there was testimony to the effect that it might cost as much as 5 billion dollars before it was completed.

We seriously felt that it would add anything to the National defense of this country. The warships will be frozen over approximately the half of the year in the first place, and in the second place it would be set back in the racing range of our potential Russian enemies.

It would result in the further concentration of the steel industry in the Great Lakes area when we could be dispersing our industry over the United States.

As to the main argument made for the bill that we could bring steel ore in through the new seaway from Canada, we are of the opinion that it would lessen whatever chances the South and West might have for ob-

Kit and Kaboodle

BY KIT MICHAEL

During any portion of our extended vacation, we are likely to be away from home for several days.

If the project were successfully completed, it would save millions to the detriment of the Atlantic and Gulf Coast ports.

We had opposed the project as being costly and economically unsound during the Roosevelt and Truman Administrations. It was argued, in particular, that Truman and Roosevelt, it is argued, by any and under Eisenhower.

We are apprehensive that once the project is undertaken, involving the same engineers, the rest of the country, though the rocky country might be absorbed as was the canal states.

President Roosevelt, in his report to Congress, found that the project was abandoned because it was found that the cost would be all out of proportion to the benefits to be derived.

At least a canal across the peninsula of Florida would be usable twelve months out of the year.

SENIORS SHUT OUT KILN 16-0 AS BILLY TAYLOR TWIRLS 3-HITTER

The Bay Seniors walloped the Kiln Seniors 16-0 behind the three hit pitching of Billy Taylor at Kiln Sunday afternoon.

Keeping excellent control, Taylor struck out twelve in the seven inning tilt without ever walking a walk. Although four times Kiln had men on third, Taylor was drawn out or unable by two pick-off plays and strikeouts.

The Bay Seniors started in the first inning as Christopher Bell walked and stole the next three bases.

In the fourth, fourth and fifth innings the Seniors scored thirteen runs led by Charley Tartavoule's three hits in those frames. Clayton Adam also collected three hits in the eighth.

Leading the run parade was Robert Bing, hitting four as he easily batted in four. Adam, Tartavoule and Bing accounted for six of the Bay boys' runs. Longest hit of the day was Rommel Maurigi's triple to left field in the fourth.

Paul Mitchell started the game for Kiln but was replaced in the third by Larry Ladner. Ladner was relieved by Mitchell in the fifth. Two consecutive off Taylor came in the fourth. Russell Mitchell singled and drove in the sixth. Lebed Mitchell singled after Larry Ladner's misjudged double. Taylor walked himself out of the hole by picking Ladner off at third.

The game's only double play ended the game, as with Shiyou on second, Tartavoule caught a short fly to center and, relaying the ball to Bell, doubled Shiyou off.

Thus Kiln's second game as a member of the Hancock County Baseball Association. They lost to St. Rose de Lima last week.

The Bay Seniors now have a 4-3 record and the Kiln Seniors have a 0-4 record.

Wonderful is the word for "The Glenn Miller Story." Everything about Universal International's gloriously thrilling Technicolor production of the great band leader's life comes off in terms of superb entertainment.

You should pause for a story stampede of beauty and cracking with wit, the excitement for performances by stars like June Allyson and June Allyson and June Allyson with affection, and for that most elegant Miller music, an alive echo through the magic of the movies.

The Glenn Miller Story is as exciting a love story, always tender and sometimes a little wild & love story, that maintains an intimate mood while it builds a broad scope through Glenn's tough years of World War II that eventually took his life at the peak of his fabulous success.

The Glenn Miller Story is also the story of the wonderful music that came out of that love, music that enthralled during America's millions. Nine of all time Miller masterpieces are presented in the picture, played in the style established by the distinctive Miller arrangements. They include the signature song "Moonlight Serenade," "String of Pearls," "Pennsylvania 6-5000," "Tuxedo Junction," "In the Mood," "American Patrol," "St. Louis Blues," "March," "Chattanooga

Corinth Plans Big Pageant Depicting 100 Year History

Mississippi towns which have attained the venerable age of 100 are legion, but few if any have ever planned centennial birthday parties to equal the elaborate celebration currently being arranged by the citizens of Corinth.

In this year Corinth, aptly named for the fact it lies at the crossroads city of Greece because of its importance as a transportation center, reaches the century mark, a milestone which it is拟 to do in style. The town is to have the largest celebration of its kind ever undertaken in the state. Dates for the week long observance are May 16-22.

The colorful history of this crossroads city will be shown in its thorough import of Civil War battles to the present era of art, culture, and industrial progress, will be re-enacted in parades and pageantry, even to a play for immediate detail of the famous Jesse James raid on the bank.

Highly organized local organizations will offer programs of the significant part Corinth played in the War Between The States. Homes were alternately given to generals of Confederate and Federal armies, and open trenches, sun-bleached artifacts, and weapons and fort sites will be properly identified, and somehow of the blood battle of Corinth will be on display.

A grand parade, ten chariot marches and street dances, and elaborate fireworks displays are but a few of the features of the seven-day festival, which will be participated in by thousands of citizens in colorful costumes of a by gone year.

A brilliant pageant covering Corinth's history from its birth will be staged nightly as a cast of 500 actors in costume interprets the various phases of the city's colorful past. Noted speakers from the Southeast will be on hand for the various events being staged during the celebration.

Shhhh, scene of one of the bloodiest of Civil War battles, just 16 miles northeast of Corinth will be one of the major points of interest for visitors attending the birthday party, as well as the new Pickwick Dam and scenic lake.

A nationally known promotion company has been engaged to supervise and stage the celebration and pageant which will utilize practically every citizen within the city. Cost of the observance is expected to total more than \$20,000.

An estimated 75,000 persons are expected to visit the city from all parts of the nation, and a special committee has been appointed to arrange comfortable housing for all visitors. The Corinth Con-

ference of Merchants, Businessmen and Professional men, and the Chamber of Commerce, are the main sponsors of the event.

Mississippi Governor W. A. McDonald, Lt. Col. Phil Kergosien, USN, and Mrs. Kergosien, of Ellington Field, Houston, Tex., will arrive this weekend.

Mrs. Gertrude Foley Saenger, Truly Mrs. Horace Kergosien, who was married in New Orleans, and has

made her home in Lumberton, where Mrs. A. O. Dresler of New Orleans deals with notes and Attorney of Lumberton Gardens.
